*1 part Irish Whiskey  
(Jameson)  
1 part Irish Mist liqueur  
2 parts Irish Cream liqueur  
splash Creme de Menthe*

Place the Irish whiskey, Irish Mist and Irish cream liqueur into a shaker with ice. Shake vigorously to blend. Strain into a stemmed glass.

Just before serving, splash in a wee bit of creme de Menthe. (Do not stir in, it will filter unevenly to the bottom so that "it looks like the fog coming in over the glen".)
