Servings: 4

8 ounces peach vodka
24 ounces ginger beer
4 ounces lemon juice
1/4 cup fresh basil

Fill four glasses with ice, preferably copper cups, but any cocktail glass will work.

Add two ounces of vodka, six ounces of ginger beer and one ounce of lemon juice to each glass.

Add a couple of leaves of fresh basil to each glass.

Stir all of the ingredients together, then serve.

OPTIONS

**** *Virgin Moscow Mule - Substitute peach juice for the peach vodka. Most ginger beer is non-alcoholic, but check the labels.*

**** *Pitcher of Mules -*

Double all of the ingredients and add them to a pitcher that holds at least 72 ounces. Refrigerate the pitcher until ready to serve. Do not add ice to the pitcher or it will water down the drink. Add the ice to the copper mugs or glasses before serving.
