

Summertime Iced Tea

Moore and Linda Tappan - Plant City, FL
Treasure Classics - National LP Gas Association - 1985

Yield: 1 gallon

6 small tea bags
4 cups boiling water
1 1/2 cups sugar
1 can (6 ounce) frozen orange juice
1 can (6 ounce) frozen lemonade
10 cups water

Preparation Time: 5 minutes

Steep the tea bags in boiling water for about 5 minutes. Discard the tea bags.

Add the sugar, orange juice, lemonade and water.

Transfer the mixture to a gallon jug.

Chill.
